

INFORMATION FOR STUDENT PARENTS

This information is for our student parents who have accepted a Term Time Only Contract for the academic year 2017-2018. The information contained within is to be read in conjunction with Oaks Nursery Terms and Conditions, non-compliance may result in the nursery place being withdrawn.

You have indicated that one or both parents are students at the University of Kent and we have offered a childcare place on a student discounted rate of £21.85 per session. For verification purposes please present your 'Kent One' card for verification no later than **Friday 6th October, or on your child's start date if later.** Failure to do so will result in full fees being applied.

Your child is not registered to attend during ½ terms and school holidays, this is shown as grey on the table below. If you require childcare during that period it may be possible to book 'extra' sessions that are subject to availability. Extra sessions are charged at the regular rate of £25.56 per session. The nursery terms are structured following the Kent County Council Standard school year, as such fees are payable for each period following your initial start date.
